

## Do the Zionist Jews own Hollywood and the Media?

- Are they using the media to mold and shape American opinion by constantly injecting
- Zionist propaganda and bias into news programs, movies, television shows, even children's cartoons and entertainment?

The answer is so blatantly "Yes!"

UNITED STATES

# Is Hollywood run by Jews? You bet!

Los Angeles

I have never been so upset by a poll in my life. Only 23 per cent of Americans now believe "the movie and television industries are pretty much run by Jews". Down from nearly 50 per cent in 1964.

The Anti-Defamation League, which released the poll results last month, sees in these numbers a victory against stereotyping. Actually, it just shows how dumb America is. Jews totally run Hollywood. How dumbly Jewish is Hollywood? When the media chiefs took out a full-page ad in the Los Angeles Times a few weeks ago to demand that the Screen Actors Guild settle its contract, the open letter was signed by Paramount Pictures chairman Brad Grey (Jewish), Walt Disney chief executive Robert Iger (Jewish), Sony Pictures chairman Michael Lynton (surprise, Dutch Jew), Warner Bros chairman Barry Meyer (Jewish), CBS chief executive Leslie Moonves (no Jewish his great-uncle was the first prime minister of Israel), MGM chairman Harry Sloan (Jewish) and NBC Universal chief executive Jeff Zucker (Jewish).

The eighth signatory was News Corp president Peter Chernin, whose father was Jewish, though Chernin was raised Unitarian, which is done, if you ask me. If both Weinmann brothers had signed, this group would have not only the power to shut down all film production but to force a merger with enough Fox water on hand to fill a bathtub.

The person they were yelling at in that ad was SNL president Alan Rosenberg (take a guess). The warning returned to the ad was written by entertainment super-agent Ari Emanuel (Jew with Israeli parents) on The Huffington Post, which is owned by Arianna Huffington (not Jewish and has never worked in Hollywood). The Jews are so dominant, I had to write the

**COMMENT**

I called ADL chairman Abe Foxman, who was in Santiago, Chile, where he told me to try dummy, he was not hunting Nazis. He dismissed my whole proposition, saying that the number of people who think Jews run Hollywood is still too high. The ADL poll, he pointed out, showed that 54 per cent of Americans think Hollywood execs "do not share the religious and moral values of most Americans", and 43 per cent think the entertainment industry is waging an organised campaign to "weaken the influence of religious values in this country".

That's a minute quandary, Foxman said. "It means they think Jews meet at Carter's Dull on Friday mornings to decide what's best for the Jews." His argument made me think I had to eat at Carter's more often.

That's a very dangerous phrase, "Jews control Hollywood". What is true is that there are a lot of Jews in Hollywood. Instead of "control", Foxman would prefer people say that they're conscious in the industry.

" happen to be Jewish", as in "seems of eight million other shallow air rats by their who happen to be Jewish".

But Foxman said he is proud of the accomplishments of American Jews. "I think Jews are disproportionately represented in the creative industries. They're disproportionately in law and probably medicine here as well."

He argues that this does not mean that Jews make pro-Jewish movies any more than they do pro-Jewish surgery. Although other executives, I've noticed, aren't so big on consciousness.

I appreciate Foxman's concern. And maybe one life spent in a New Jersey-New York Bay Area-L.A. pro-Semitic cocoon has left me naive. But I don't care if America can think we're running the news media, Hollywood, Wall Street and the government. I just care that we get to keep running them.

## What Do Knowledgeable Jews Say?

How about going to top Jews in the media themselves and see what they say? Take **Joel Stein**, for example, columnist for the Los Angeles Times newspaper and regular contributor to Time magazine.

In his column in the LA Times (Dec. 19, 2008), Stein says that Americans who think the Jews do not control Hollywood and the media are just plain "dumb."

"Jews totally run Hollywood," Stein proudly admits.

He then goes on to provide a long, long list of Hollywood/media chieftains-all Jews!-to prove his point.

On his list:

- Fox News President Peter Chernin
- Paramount Pictures Chairman Brad Grey
- Walt Disney CEO Robert Iger
- Sony Pictures Chairman Michael Lynton
- Warner Brothers Chairman Barry Meyer
- CBS CEO Leslie Moonves
- MGM Chairman Harry Sloan
- NBC/Universal Studios CEO Jeff Zucker

That's just the top brass at the studios.

Then there are the actors and entertainers - predominantly Jews, from Barbra Streisand and Gwyneth Paltrow, from Adam Sandler to Ben Stiller... Jew, Jew and Jew again.

As Stein wryly remarks, even the head of the Actors' Union, the Screen Actors Guild, **Alan Rosenberg**, is a Jew.

"The Jews are so dominant," writes Stein, "I had to scour the trades to come up with six Gentiles in high positions at entertainment companies."

"But lo and behold," Stein says, "even one of that six, AMC President Charles Collier, turned out to be a Jew!"

"As a proud Jew," says Joel Stein, "I want America to know of our accomplishment. Yes, we control Hollywood."

## ADL's Foxman Admits Jewish Control

Stein says he then called **Abe Foxman**, Chairman of the Jewish ADL, to ask him, why don't more Jews just come out and boast at this great accomplishment? Foxman responded by admitting that yes, it's true that most of the top execs "happen to be Jewish."

In fact, Foxman told Stein,

"all eight major film studios are run by men who happen to be Jewish."

**Ben Stein** (no relation to Joel), the well-known Jewish actor, economic commentator and writer, when asked "*Do Jews run Hollywood?*" stared blankly at the questioner, then retorted, "You bet they do - and what of it?"

**Shahar Ilan**, writing in *haaretz.com*, the internet division of Israel's top daily newspaper, commented,

"The Jews do control the American media. This is very clear, and claiming otherwise is an insult to common knowledge."

**Neal Gabler**, also a Jew and a noted media researcher, wrote an entire book outlining Jewish control of Hollywood. It was entitled, *An Empire of Their Own: How the Jews Invented Hollywood*. But to really see how the Jews, in their own publications and press, view the reality of Jewish control of the media, all one has to do is take a look at a recent issue of the Jewish Daily Forward, which featured an article entitled, "Billionaire Boychiks Battle for Media Empire."

## Billionaire Jews Battle for Media

This fascinating, look-see article discussed how the Jews had for decades owned the media and now were competing; that is, vying, to buy one of America's most powerful media companies, Tribune Company, which owns 23 television stations, a baseball team, and many major newspapers, including the Chicago Tribune and the Los Angeles Times.

"However, it turns out," gloated the Jewish mag, "we'll have a Jew in charge of the (LA) Times, which was once one of old Los Angeles' most famous WASP (White Anglo Saxon Protestant) institutions. What a great day for old LA Jews"

The publication noted that among the Jewish billionaires ("boychiks") vying for the Tribune media empire is,

"Liberal, Jewish, media mogul David Geffen."

And who, pray tell, is the current owner of the Tribune Company? Why, that would be Jewish billionaire **Sam Zell**. Zell is a major donor to Israeli, Zionist and Jewish causes.

His own rabbi proudly reports that Zell is,

"a committed Zionist, a generous supporter of Israel, and a member in good standing of the synagogue."

Asked who his own favorite newspaper columnists were, Zell quickly answered, "Charles Krauthammer, Thomas Friedman, and David Brooks."

Surprise!

The trio are all ardent *Zionist whack-jobs* who clamor over each other demanding the U.S. attack Iran, provide billions more in foreign aid to favored nation Israel, and so forth.

## Local Newspapers Owned by Foreign Agents

So powerful is the Jewish control over the media that **Nathanael Kapner**, a rare Jew who *converted to Christianity* and now is adept at reporting these things, asserts that no longer can we trust our local daily newspaper.

"Zionist Jews have taken over the 'local newspaper' in America," Kapner writes.

Indeed he explains that there basically is no local newspaper anymore, because, "Most local newspapers are owned by companies controlled by Zionists whose offices are hundreds of miles away."

Kapner provides manifold evidence of Zionists' dominating control of the media at all levels. The *Newhouse Empire* of the Jewish brothers Samuel, Donald, and Theodore Newhouse, Kapner says,

"illustrates the insatiable appetite for opinion control."

"Today, the Newhouse Empire owns 40 local newspapers across the U.S.A. These include the Newark Star Ledger, the Cleveland Plain Dealer, the Portland Oregonian, and the St. Louis Globe-Democrat."

Then, there are the vast array of magazines run by the *Jewish Newhouse family* - including:

- the New Yorker
- Vogue
- Golf Digest
- Glamour
- Gentleman's Quarterly (GQ)
- the massively circulated newspaper insert, Parade magazine

## Jewish Media Spew Out Pro-Zionist Propaganda

The fact that Zionists control virtually every media outlet in America is no doubt why the American citizenry hears only one version of events in the Middle East-the pro-Jew, pro-Israeli side.

This led Dr. **Kevin MacDonald**, professor at California State University, to write:

"In the contemporary world, organized American Jewish lobbying groups and deeply committed Jews in the media are behind the pro-Israel U.S. foreign policy that is leading to war against virtually the entire Arab world."

This Zionist bias and propaganda spin by the Jewish-owned American media is not new.

As far back as 1978, the noted Jewish political writer **Alfred Lillienthal**, in his revealing book, *The Zionist Connection*, stated:

"The most effective component of Jewish connection is probably that of media control. It is well known that American opinion molders have long been largely influenced by a handful of powerful newspapers, including the *New York Times*, the *Washington Post*, and the *St. Louis-Post Dispatch* (All Jewish Families)."

To further illustrate the breadth of Jewish media control, we note that Jewish magnate **Arthur Sulzberger**'s media empire today includes not only the *New York Times* (which, in Stalin's day, systematically covered up the genocidal crimes of Jewish commissars in Communist USSR), but also:

- the Boston Globe
- the Lexington Dispatch (NC)
- the Gainesville Sun (FL)
- the Ocala Star Banner (FL)
- the Tuscaloosa News (AL)
- the Spartansburg Herald Journal (SC)
- the Santa Barbara News Press (CA)

Each of the newspapers Lillienthal mentioned back in 1978, in turn, owned and still owns dozens of others. So tainted is the news because of this that almost every newspaper in America endorsed

President George Bush's radically pro-Israel policies in the Middle East, including Israel's savage butchery of Lebanon and Palestine.

There can be no doubt.

It is easy for us to document the massive dominance over the media by evil Jewish skills who are continually hostile to pure American interests while, everyday, unabashedly spewing out reams of misleading Zionist propaganda.

- Time magazine
- Newsweek
- NBC
- ABC
- CBS
- CNN
- FOX

...and many, many more are all owned or run by Jews and operated solely to further the aims of the traitorous, anti-American, ever-growing Zionist World Empire.

### **All America is in the Grip of the Hidden, Red Iron Fist of Zionism**

Of course, the media, even as important as it is to our culture, is only a bit piece of the whole that is now, regrettably, under the big thumbs of the Jewish Zionist elite.

- our Educational Establishment
- Wall Street
- the banks
- the Federal Reserve
- our Congress

- the White House (just consider Rahm Emanuel, the Zionist Israeli freak who is **Obama's** White House Chief of Staff)
- our judiciary,

...each and every one is infiltrated by *Zionist radicals* who put Israel and their own "Chosen People" first, to the detriment of everything in America.

So, the next time you hear some ignorant rube on talk radio or elsewhere shoving the race card in your face and ranting and raving about "Nazis" and "anti-Semites" who "claim" the *Jews control the media*, why don't you just reach out and turn that radio dial to another place. And please, don't forget to also let the radio network and station manager know of your displeasure.

The fact is that the dishonest Zionist shills out there promoting Zionist lies, drivel, and nonsense truly deserve our contempt.
