

# False Prophets **EXPOSED!**

Why these men are false teachers and prophets.....

**Benny Hinn** is about the most sought after false prophet and teacher today. Benny Hinn falsely predicted that all the homosexuals in America would die by fire in the late 1990's. Benny Hinn has confessed that there are 9 beings within the Godhead. 3 beings (Tritheism) each having their own trinity of beings within each. Benny Hinn teaches word-faith doctrine. Benny Hinn stated on TBN that after his crusade in South America in 2002, that he was certain that he would return to America with video footage of Jesus appearing on stage during the crusades, because Jesus had told him this was going to happen. Hinn also stated that very soon people would no longer

need to take their deceased loved ones to the morgue. Instead, stated Hinn, they should be placed in front of the television during the airing of TBN and they would rise from the dead. We don't have enough paper to list all of the falseness of Hinns ministry.

**T.D. Jakes** denies the Trinity. That makes his church a cult. Jakes has many other false teachings including word-faith, and the prosperity gospel.

**Robert Schuller**, is a positive thinking guru who denies essential Christian doctrine.

**Marilyn Hickey** is a word-faith teacher teaching false doctrine. One of her tapes recods her having a conversation with her billfold, commanding the billfold to fill itself with greenbacks.

**Paul Crouch** is responsible for an unending open door welcoming false teachers and prophets to his pulpit no matter how outlandish their their aberant teachings may be. Croch has publicly stated that anyone who tests the teaching of any ministers on his programs will go straight to hell. Crouch has openly stated his desire to kill Christian apologists who point out heresy preached on his stations.

**Rod Parsley** is a word-faith preacher who specializes in whipping up his audiences into altered states of consciousness. His outlandish style is attractive to people who get emotionally carried away by repetitive music and mantras.

**R.W. Shambach** is an incredible con-artist used by CBN to raise money during their telethons. With scare tactics and false teaching, Shambach surgically convinces thousands to send their money to finance the heretical TBN .

**Carlton Pearson** has even been attacked by false teachers like T.D. Jakes for his support of the "doctrine of exclusion." This doctrine tries to reconcile Christianity and Islam, claiming the 2 religions are completely compatible.

**John Avanzinni** is a name-it-and-claim-it mega-star used by TBN whenever they want to promote the hundredfold blessing. Avanzinni also promotes the heresy that God's reason for creating humanity is to duplicate himself.

**Kenneth & Gloria Copeland** have one of the largest false ministries and influences in America. Copeland teaches that Adam was an exact duplicate

of God. Copeland teaches that Jesus became a demonic being when he was crucified and had to go to hell and be born again. The Copelands attempt to specialize in word-faith teaching. Copeland calls God, the biggest loser in the Bible, and says Jesus was not God during his earthly life.

**John Hagee** calls Covenant Theologians heretics, because they do not make a distinction between the church and Israel in the New Testament. Branding them as the "carriers of Hitler's anointing", Hagee divides the body of Christ on secondary issues. Hagee is also extremely dogmatic in his eschatology, failing to understand that there are many diverse interpretations acceptable within the pale of orthodoxy.

**Jessie Duplantis'** ministry is riddled with errors. Presenting his messages with humor, Duplantis is a typical word-faith clone of Ken Copeland, often preaching from Copeland's pulpit.

**Oral Roberts** and son, **Richard Roberts** are both word-faith con-artists. Oral is the originator of the seed-faith doctrine. Have a need? Plant a seed. Large amounts of cash make the best seed for planting. Both men practice cultic doctrines of bringing their chorts into altered states of consciousness

[7th Day Adventism Renounced](#)

D.M. Canright, was a former member of the General Conference Committee of the Seventh Day Adventist Church (SDA). He was one of only three members serving on the council, along with SDA cofounder James White and one Mr. Haskell, making him one of the three highest officials in the SDA. Prior to leaving the SDA Canright was a teacher of theology in the SDA college at Battle Creek. He was writing the lessons for all their SDA Sabbath Schools throughout the world. He had the charge of some eighteen SDA churches in Michigan. He was a member of the Executive Committee of the International Sabbath School Association. He was member of the Executive Committee of the Michigan State Sabbath School Association. At the session of the general conference before he left the SDA, he was chairman of the International Sabbath School Association, and was on nine different committees, several of which were the most important committees in the general conference (e.g., the committee on distribution of laborers throughout the world, the theological committee, the committee on camp meetings, the committee on a special course of study at the SDA college, and the committee on the improvement of the SDA ministry). The SDA published over twenty different publications written by Canright. The circulation of Canrights publications reached into the hundreds of thousands. Canright ultimately came to realize the doctrinal bankruptcy of the SDA and left the organization. He became a Baptist minister and in 1914 he wrote a book (hyperlinked at left) which exposed the evils of the SDA and the apostasy of the SDA founders, Ellen G. White and her husband, James White. Canright was an insider who speaks from authority. He also proves, through a thorough review of scripture, the theological errors of the SDA.

[Mormon Evil Exposed](#)

Read the undeniable evidence that Joseph Smith and Brigham Young, the founders of the Church of Jesus Christ of Latter Day Saints (LDS), were pagan Freemasons. The LDS, founded in 1830 after the nationwide upheaval over the murder by Freemasons of Captain Morgan, is nothing more than Freemasonry reconstituted to appear as a Christian church. In reality it is a soul damning pagan organization, which denies Christ and worships Lucifer.

<p><a href="#">Mormonism Explained</a></p>	<p>The secret cabalistic doctrines of the Mormon "church" revealed. While this website has excellent information on the evil doctrines of the Church of Jesus Christ of Latter Day Saints (Mormon church), it contains some doctrines which are contrary to sound biblical doctrine. For example on the website it states: "Our eternal destiny (heaven or hell) is based entirely upon personal choices we make based upon our own freewill. If we end up in hell, we can only blame ourselves!" That is directly contrary to what God states in the Holy Bible. The reality is that man's will is not free, it is enslaved to sin. Man will not serve God nor seek God, because man is spiritually dead. "As it is written, There is <b>none</b> righteous, <b>no, not one</b>: There is <b>none</b> that understandeth, there is <b>none</b> that seeketh after God." <a href="#">Romans 3:10-11</a>. It is God's will that is free not man's will, and by his grace we are born again. God does the choosing, not man. <a href="#">James 1:18</a>. We are saved by the sovereign grace of God. "For by grace are ye saved through faith; and that <b>not of yourselves: it is</b> the gift of God: Not of works, lest any man should boast." Ephesians <a href="#">2:8</a>. It is by the will of God, not by the will of man that one is saved. "But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:<b>Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.</b>" <a href="#">John 1:12-13</a>.</p>

<p><a href="#">Judaism is Antichrist</a></p>	<p>The words "Judaism is antichrist" here are being used to describe the nature of Judaism. The pope of Rome is "the" antichrist (noun). The commonly used term "Judeo-Christian tradition" is an oxymoron. There can no more be a Judeo-Christian tradition than there can be a Catholic-Christian, Islamic-Christian, or a Satanic-Christian tradition. All of those religions art antithetical to Christianity. Those religions are antichrist, and as such there can be no religious agreement between them and Christianity.</p>

<p><a href="#">The Pilgrimage</a></p>	<p>Read another tract that explains the eternal consequences of Islam.</p>

<p><a href="#">Protestants No More</a></p>	<p>A Protestant used to be a Christian who fearlessly preached the gospel and protested against the antichrist church of Rome. That is no longer the case. Why? Because Satan and his Roman church have actively worked to undermine the Protestant churches. This bible tract by Jack Chick (now out of print) is an excellent summary of the steps the Roman Catholic Church has taken to undermine the former Protestant churches. There is only a small remnant of true Protestants remaining; nowadays almost none of the nominal Protestant churches preach the gospel or protest against the hellish doctrines and practices of Rome.</p>

Hill, Peter Popoff, Creflo Dollar, Bob Larson, and many other wolves in sheep's clothing.</p>
