

Freemasonry Truth

Freemasonry is the worship of Satan, which those in higher rank understand the mirror meanings of its symbols. One of its founders whose name is Albert Pike who was a 33rd degree mason, was head of the Ancient Accepted Scottish Rite of Freemasonry. He was the Grand Commander of North American Freemasonry from 1859 until his death in 1891, which in 1869 he was a top leader in the Knights of the Ku Klux Klan. As a known Satanist, he indulged in the occult, and possessed a bracelet which he use to summon Lucifer (Satan) for guidance and wisdom. He was the Grand Master of a Luciferian group known as the Order of the Palladium (or Sovereign Council of Wisdom), which had been founded in Paris in 1737. Palladism had been brought to Greece from Egypt by Pythagoras in the fifth century, and it was this cult of Satan that was introduced to the inner circle of the Masonic lodges, in which it was aligned with the Palladium of the Templars. An Italian revolutionary leader, Giuseppe Mazzini (1805-1872), a 33rd degree Mason, was selected by the Illuminati to head their worldwide operations in 1834 which also Mazzini also founded the Mafia in 1860. Because of Mazzini's revolutionary activities in Europe, the Bavarian government cracked down on the Illuminati and other secret societies for allegedly plotting a massive overthrow of Europe's monarchies. As the secrets of the Illuminati were revealed, they were persecuted and eventually disbanded, only to re-establish themselves in the depths of other organizations, of which Freemasonry was one.

This here is Albert Pike

Albert Pike, ca. 1849, a few years before his address to the Grand Consistory of Louisiana. Daguerrotype. Albert Pike Collection, Museum of the Supreme Council, 337, S.J., Washington, D.C.

Albert Pike intended to use the Palladian Rite to create a Satanic umbrella group that would tie all Masonic groups together, which was successfully accomplished by his fellow Masonic brothers. The Illuminati are tied directly through masonry to the sun and Isis cults of ancient Egypt. Killing was a mystical experience to this branch of the Mystery Schools. They not only maintained their control by murder and threats of murder, they believed that the assassin could acquire the gnosis, or soul energy from the victim. This is the theory behind the human and animal sacrifices of Satanists throughout history and the ritual child abuse. Masonry never works in the full light of day, but yet every one knows of its existence, its meeting places and of many of its adepts, but one is ignorant of its real aims, its real means, and its real leaders. The immense majority of masons themselves are in that position, in which they are only the blind machinery of the sect which they serve. In which many of them see the surface benefits of what they can achieve in their political life and work life and family life, desire those advantages, and seek to join and become blinded to the point, that they would be stupefied if they knew for what they are being used for.

During the late Middle Ages when any opposition to the Holy Roman Universal (Catholic) church was forced deep underground, among the only organized groups able to move freely throughout Europe were the guilds of stone masons, who maintained meeting halls or "lodges" in every major city. Freemasonry evolved over the last thousand years from the Knights Templar, and before that traces its roots to ancient Egypt, the Egyptian Mystery Religion and Esoteric Schools. What must be understood is that, Freemasonry is not, however, merely a builders and stoneworkers guild. Right from the first degree initiates take blood-oaths, perform occult rituals, and begin learning about a number of arcane subjects delving deeper as they rise in degrees, the same one rises today from Pre K up to College to receive their Masonic degree. Some of the subjects studied/practiced include: Astrology, Consciousness, Magic, Tarot, Kabbalah, the Tree of Life, Sacred Geometry, Divination, Scrying, Theosophy, Numerology, Symbology, Alchemy, Hermeticism, the Chakra system, Auras/Energy bodies, Astral Projection/OBEs, Kundalini Yoga, Geomancy, Masonic/Occult History and Philosophy, Metaphysics, Epistemology, Secret Handshakes and Gestures.

If the initiate agrees that the few should control the many, and that secret society rule is virtuous, then he is congratulated and promoted through higher degrees. If the initiate disagrees that the few should control the many, and holds a genuinely moral position, then he is congratulated and promoted within his existing branch, never to rise above the Blue degrees. This is how come you can converse with the average Mason and bring heavy information against the Cult, and he knows nothing. See by Masonry promoting itself as philanthropic club for men of morals, they can perpetuate this as being the ideal image of the Cult as being of charity and christian essence, which such an image can be inverted through members of the first three "Blue degrees". So whats the percentile of victims, well 97% of all Masons fall into this category which most literally believe they are of apart of something thats charitable and benevolent, because most Blue Lodge Masons genuinely do not know, and high-ranking Masons are sworn to secrecy. One of the founders of this Satanic establishment for the American Chapter of Masonry, was none other than the Satanist Alber Pike himself, in which in his book entitled *Morals and Dogma*, he stated this:

"The Blue Degrees are but the outer court or portico of the Temple. Parts of the symbols are displayed there to the initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended that he shall imagine that he understands them. Their true implication is reserved for Adepts, the Princes of Masonry."

—Albert Pike (Sovereign Grand Commander of the Supreme Council of the 33rd degree and Supreme Pontiff of Universal Freemasonry) "*Morals and Dogma*"

Blue degrees are just about in the light in regards to the symbols as so called Israelites and truth seekers are, who are being misled by false interpretations, not comprehending the mirror meaning of them. So without understanding that Freemasonry is a fraternity within a fraternity, protecting the agenda of the higher elite at the top of the all seeing eye pyramid, then those within the lower ranks, such as your local banks and churches and office workers and everyday average joe, are purposely kept in the dark by the Elite's front runners known as the Democratic and Republican parties. These two parties work together to keep concealed the inner brotherhood of the elect and their agenda, appearing visible as two separate orders, but yet really are

interdependent orders. Interdependent as meaning, mutually dependent upon each other in order to exist, so the whole acting as if they don't like each other and different from each other, is just no different than professional wrestling, they acting for the camera. Their just entertaining the public by way of false pretenses to keep them in a virtual reality of the Elitest carousel, so they'll continue living subconsciously under the illusional merry go round of the American Dream. In each generation only a few are accepted into the inner sanctuary of the work, in which the great initiate philosophers of Freemasonry are masters of that secret doctrine which forms the invisible foundation of every so called great theological and rational institution.

Superior Masons deliberately lie to their fellow Masons, as those Masons "deserve to be mislead". Which is why explanations given to 95% of all Masons are wrong, that is how come many who are in Masonry are not aware that they are lied to. Masons from the first initiation which is the first degree are urged to mightily "seek the Light!" The average Mason is continually saying that he is "seeking the Light," and will spend his entire life "moving toward the Light." See people who haven't studied this subject would assume that this "Light" is the revelation of the God of the Bible, in which by going at it this route, allows Masons to deceive bible believers that they are a christian organization. Below is a direct quote from Albert Pike from his book "Morals and Dogma openly admitting who the "Light" of Freemasonry is:

"Lucifer, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable, blinds feeble, sensual, or selfish souls? Doubt it not!"

[Albert Pike, *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*]

This is also why the bible says - 2 Corinthians 11:13-15 - For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works. What you have to understand is that, in the first 18 degrees, Masons are taught to believe that God is the Light bearer, then at the 19th degree, they receive new revelation of the truth. In which it is

Masonic policy to deliberately mislead Masons in the lower degrees until they are ready to receive the truth, which is Masonry worships Lucifer. Freemasonry is one of the most wicked and terrible organizations upon this earth. The Masons are major players in the struggle for world domination.

The 33rd Degree is split into two, in which one split contains the core of the Luciferian Illuminati and the other contains those who have no knowledge of it whatsoever. The process from a 1st to 33rd degree Freemason may take 10, 20, 30 or more years but is not based on time, the way initiates rise degrees is through invitation by members of a higher degree, in which this is the nature of all secret societies, the only way to get ahead is by appeasing those ahead of you. It is through this behind kissing pyramid structure that the few bloodline elite at the top control the many at the bottom. Then by issuing lords, knights, and vassals of various degrees along the way to do their bidding, the royals essentially control all facets of this worldwide Brotherhood. As one of the founders known as 33rd degree Manly P. Hall put it in his book entitled - "The Lost Keys of Freemasonry, in which below he stated:

Manly P Hall /The Lost Keys of Freemasonry

"The initiated brother realizes that his so-called symbols and rituals are merely blinds, fabricated by the wise to perpetuate ideas incomprehensible to the average individual. He also realizes that few Masons of today know or appreciate the mystic meaning concealed within these rituals."

This should immediately send off red flags to your brain, thus further proving those who claim to be showing you symbols of the Masonic order in Hip Hop and so forth through you tube videos, have been purposely misled and deceived by the higher ranking satanists, thus proving they don't have the Spirit of the Most High to reveal these so called Masons and Illuminati's vision, they pretending, which is why they can't reveal anything without you tube. The 33rd degree is the highest rank publicly known, and those initiates who progress beyond the 33rd degree status are educated in the Elite's true goals and secrets, as where all the smaller ranks remain infants in comprehension. The majority of the US founding fathers, the Senate, and the Presidents have been Freemasons, but those who were not usually had nothing good to say about the organization and spoke the truth about it, below are some quotes.

"I do conscientiously and sincerely believe that the Order of Freemasonry, if not the greatest, is one of the greatest moral and political evils under which the Union is now laboring ... a conspiracy of the few against the equal rights of the many ... Masonry ought forever to be abolished. It is wrong – essentially wrong – a seed of evil, which can never produce any good."

US President John Quincy Adams, "Letters on Freemasonry" 1833

"I tell you now that **Freemasonry** is one of the most wicked and terrible organizations upon this earth. The Masons are major players in the struggle for world domination. The 33rd Degree is split into two. One split contains the core of the *Luciferian Illuminati* and the other contains those who have no knowledge of it whatsoever." [[Behold A Pale Horse Bill Cooper](#)]

"The Masonic fraternity tramples upon our rights, defeats the administration of justice, and bids defiance to every government which it cannot control."

US President Millard Fillmore

"All secret oath bound political parties are dangerous to any nation, no matter how pure or how patriotic the motives and principles which first bring them together."

US President Ulysses S. Grant

"The institution of Masonry ought to be abandoned as one capable of much evil, and incapable of producing any good which might not be affected by safe and open means." -Supreme Court Chief Justice John Marshall

"Of the 56 signatories of the American Declaration of Independence, at least 50 were known to be Freemasons and only one known not to be."

David Icke, "Tales from the Time Loop"

“The Supreme Council of the 33rd Degree of the Scottish Rite of Freemasonry has told the student that 13 of the 39 original signers of the Constitution were Masons ... It is also interesting to note that there were 39 signers, exactly three times the Masonic number 13.”

Ralph Epperson, “The New World Order” (146)

13 is an important number to the Masons. There are 13 degrees in York Rite Freemasonry, and there just happened to be 13 original colonies (including New “York”). New York is known as the “Empire State” with the “Empire State Building,” but whose Empire? Who’s the Emperor? Perhaps the York Rite Freemasons could tell us? 13 Masons signed the Constitution along with 26 (13x2) non-Masons making 39 (13x3). There also just happens to be 39 members of Rockefeller’s Bilderberg inner-circle and 39 floors in Rockefeller’s United Nations building.

Did you know the Statue of Liberty was given to America by French Freemasons? There is another statue just like it in France on an island in the Seine. The character propagated as “Lady Liberty,” supposedly derived from the Roman goddess Libertus, is simply a patriotic pseudonym for the public. Lady Liberty has been known throughout history as Isis of Egypt, Semiramis/Ishtar of Babylon, Athena of Greece, Astarte of Syria, Cybele of Rome, Ashtoreth of Israel, and Diana of Ephesus. She is the Pagan mother Goddess of the Brotherhood, nearly always depicted dressed in robe, wearing a crown of thorns, and carrying the torch of illumination. She is symbolic of both the Moon and “dogstar” Sirius, which is why the English word for God is simply Dog backwards. The “dog days” of summer was coined after Sirius and was believed to be an evil time.

Sirius - Amazing how its your Satellite Radio consisting of a dog and a star!

J. Brady in “Clavis Calendarium” says the dog days were known as a time, “when the seas boiled, wine turned sour, dogs grew mad, and all creatures became languid, causing to man burning fevers, hysterics, and phrensies.”

This hot time was associated with hotheadedness, which this is why you're Sirius when you're Serious. This is also the occult origin of the all American “hot dog.” July 4th, America's Independence Day, just happens to be the 2nd of Sirius' dog days – an important date to the pre Masonic Knights Templar. “It is the date of the Templar's massive defeat by Muslim armies in the Holy Land at the Horns of Hattin on 4 July AD 1187, which was followed by the loss of Jerusalem to Christendom. There could therefore hardly be a more evocative 'Templar' or 'Solomonic' date than 4 July evocative, that is, of the aspiration to build Solomon's Temple in Jerusalem.

The symbol for the U.S. dollar is \$, sometimes with one or two vertical lines. The “S” and “I” have nothing to do with “dollars” and everything to do with “ISIS.” The Egyptian Goddess of the Moon and Sirius was “ISIS” and this is the most common name for her used by the Brotherhood. The dollar sign is actually an occult talisman to this Illuminati Goddess. This is why both the Statue of Liberty/Isis and her dollars are both the same color green. The ancient roots of the word Moon were “mon” and “min” which is why we have “money” made at the “mint.” The very idea of money and symbolic currency comes from ancient secret societies.

“Silver was connected with the moon and therefore with the Goddesses of the moon, the most famous of which was and is ISIS. So her name became the symbol of money. We find this today in the cleverly camouflaged motif \$ which is nothing more than the sigil for the name of ISIS, but fused together in an ingenious manner.” Michael Tsarion, “Astrotheology and Sidereal Mythology”

During the 1790s French Freemason **Pierre L’Enfant** designed the street plan and architectural layout of Washington D.C. to include many occult talismans. If you see D.C. from an aerial view, you may be shocked to find things like an iron cross (used by Hitler), the Star of David, an upside down (satanic)

pentagram pointing to the White House, and even a pyramid with a huge owl sitting atop at the Capitol building. See below images:

The Egyptian hieroglyph for the Illuminati Goddess Isis/Sirius is a star, an oval, and an obelisk all drawn together. In Washington D.C. there just happens to be the Washington Monument obelisk, the Oval office, and a pentagram encoded in the streets/architecture.

“The Egyptian hierogram for the star Sirius consists of three shapes: a five-pointed star, an oval, and an obelisk. Amazingly, this is just what we find in stone in Washington D.C. The entire city is dedicated astromantically to the star Sirius and its occult deities. Astrology is good enough for the ruling Plutocrats it seems. Pity that when the ordinary person seeks to use the divination arts for their own personal physical and spiritual empowerment, they are considered freaks and devil-worshippers.”

David Ovason, “Secret Architecture of Our Nation’s Capitol”

In Washington DC we have the phallic "Monument" facing the female "Oval" office, plus the pentagon and L'Enfant's pentagrams. In Paris we find "Cleopatra's Needle" another obelisk in front of the Notre Dame ("Virgin" Mary's) Cathedral. The Vatican has another masculine obelisk surrounded by a feminine circular building structure. In London, New York, and many other places you will find the same. The Brotherhood has placed their sexual architecture at key geomantic points all over the Earth. "The obelisk and the dome are common sights in the monuments and buildings of the Brotherhood. The obelisk is an ancient phallic symbol of the male energy and solar energy and the dome represents the female or moon energy. Often they are placed together or close to each other. This is the symbolism of the Oval Office (the womb, female) in the White House which looks out on the Washington Monument, the vast stone obelisk (phallic, male). These symbols attract and generate the energy they represent: they are a physical thought form.

The obelisk also symbolizes the penis of the Egyptian Sun god, Osiris. According to legend, after Osiris had been sliced into pieces by his rival, Set, the Queen Isis found all the pieces except his willy. An obelisk claimed to come from Alexandria in Egypt stands in Central Park, New York, and its twin was erected in the 19th century, during the reign of Queen Victoria, on the former Templar lands alongside the River Thames not far from the Houses of Parliament. It is known as Cleopatra's Needle and originally stood in On (Heliopolis), the Egyptian City of the Sun, from at least 1500 BC, before it was moved to Alexandria... A sphinx has been placed on either side at its London location. Another Egyptian obelisk which was built in Luxor 3,200 years ago now stands in the Place de Concorde in Paris, less than a minute's drive from the scene of Diana's crash. On the other side of the crash scene is the Eiffel Tower, another gigantic obelisk in disguise.

The Washington Monument in Washington DC is a colossal obelisk. The dome (from a Greek word meaning Place of the Gods) draws in and harnesses energy, as does the pyramid.” David Icke, “[The Biggest Secret](#)” (354)

What are these you may be wondering, well Freemasons also keep the secrets of ancient *ley lines* and continue building along them. For instance the cities of Boston, New York, Philadelphia, Baltimore, and Washington D.C. are all on a perfect diagonal that continues down to Teotihuacan and all the way up to Stonehenge, Troy, and Baalbek. London to Giza and Paris to Dendera are almost equidistant parallel lines as well. This geomantic knowledge was understood and kept hidden by ancient builders/Masons and remains that way today. “Has anyone ever asked themselves why a war memorial nearly always has to be an obelisk? And why do you think the Washington monument in the centre of Washington DC is a giant obelisk? Because obelisks, like all these symbols and geometrical shapes, generate the energy they represent. What a symbol is built to represent is the energy it will generate, because symbols are a physical manifestation of the thoughts which create them.

As David Icke once stated:

These guys don't put their symbols everywhere just for fun. They do it because it helps to resonate the energy field to the vibrational frequency they want. In turn, this affects the thoughts and feelings of the people."

David Icke, "The Biggest Secret" (136)

Isn't it amazing how you see the majority of churches all with obelisks on them, now you know they are all Freemason controlled. The Masons are very familiar with astrology, astronomy and astrotheology, they align all important commemorations, dedications, declarations, groundbreaking, grand-openings, and other events to coincide with astrological phenomena. August 7, 1880 at precisely 10:59am the cornerstone of the Washington Monument obelisk was laid just as the Sun passed over Sirius. The day the foundation stone for the White House was laid, around noon the Moon entered the same 23rd degree of Virgo as the Dragon's Head node. On the morning of September 18th, 1793, the Sun was also passing through this degree of Virgo when the Capitol building was founded, and when the Library of Congress was founded the Sun and Saturn were in conjunction in Virgo, and when the Scottish Rite Freemason "House of the Temple" cornerstone was laid on October 18th, 1911, the Moon and Venus were conjunct in Virgo. The White House, Capitol building, and Washington Monument form the "Federal Triangle" which mirrors on the ground, Arcturus, Spica, and Regulus in the sky – three stars that bracket Virgo. In Washington D.C. there are 22 full zodiacs secreted into the architecture, most of them highlighting Virgo, in which this is the highest concentration of zodiacal art/symbology in the world, compared with only 4 in London for example. Now this should prompt the question in your mind, that if we are ruled by an open system run by democratically elected officials, why is there a need for a secret Masonic order in every village, town and city across the United States?

John Coleman once posed this question:

How is it that Freemasonry can operate so openly and yet keep its secrets so well hidden?"

John Coleman, "[Conspirators' Hierarchy - The Story of the Committee of 300](#)"

There are many secret sayings, handshakes, and gestures used by Masons both to recognize one another in public as well as to communicate specific information. For instance, there are many *mudras* (hand-gestures) commonly used by Masons posing for portraits/photos. A common one is known as "the Hidden Hand" whereby the right hand is placed partially or fully within one's shirt/jacket. Masonic kings, presidents, prime ministers, and media personalities have been photographed posing the Hidden Hand.

Perhaps the most commonly displayed hand-signs are the *Satanic Devil Horns*, made by bending the middle and ring fingers, extending just the index and pinky fingers. The thumb can be stuck out or clasped in; both are used, and have been by Satanists for centuries. Recently, this along with many other Masonic hand-signs have been leaked into popular culture and given different exoteric meanings to the mislead public.

For example the *Devil Horns with thumb out* is often used to say "I love you." "The sign often is confused with the deaf's signing of the phrase, 'I love you.' While at first this appears an odd resemblance, we register an 'ahh, I get it!' emotion when we discover that the person who invented, or created, the hand sign system for the deaf, Helen Keller, was herself an occultist and Theosophist.

Did Keller purposely design the deaf's 'I love you' sign to be such a remarkable imitation of the classic sign of Satan? Was Keller saying, basically, 'I love you, Devil'?" **Texe Marrs, "Codex Magica" (120)**

Satanist's Daughter To Keep the 'Faith'

From the very first degree the initiate takes blood-oaths never to divulge the secrets of Freemasonry under penalty of death. They swear never to betray their brothers or the organization, never to tell police about Brotherhood crimes, and never to convict any fellow Mason as guilty if serving as a juror.

"The initiate into the order's beginning or First Degree of the Blue Lodge pledged to 'binding myself under no less penalty than to have my throat cut across, my tongue torn out by the roots, and my body buried in the rough sands of the sea at low water mark, where the tide ebbs and flows twice in 24 hours.' The penalties in higher degrees grew progressively more gruesome." Jim Marrs, "Rule by Secrecy" (218)

"Second degree Masons recite the following heinous oath: ...binding myself under no less penalty than that of having my breast torn open, my heart plucked out, and placed on the highest pinnacle of the temple there to be devoured by the vultures of the air, should I ever knowingly violate the Fellow Craft obligation.

The third degree oath proclaims: ... binding myself under no less penalty than that of having my body severed in two, my bowels taken from thence and burned to ashes, the ashes scattered before the four winds of heaven, that no more remembrance might be had of so vile and wicked a wretch as I would be, should I ever, knowingly, violate this my Master Mason's obligation.

That's not all. In the 4th degree, Mark Master of the York Rite, the candidate performs a ritual which symbolizes having his 'ear smitten off' if he reveals the order's secrets. And for the 5th degree, Past Master, the hapless candidate agrees as follows: ... binding myself under no less penalty than (in addition to all my former penalties) to have my tongue split from tip to root, that I might thereafter be unable to pronounce the word." Texe Marrs, "Codex Magica" (2856)

Not only do Masons take the preceding oaths never to expose or incarcerate the Brotherhood/brothers, but all Masons (including Presidents, Prime Ministers, and other politicians) also swear to obey all orders given by higher-degree Mason. "The capitalized words when taken together read: 'I do promise that I will obey all summonses given to me from the hand of a brother Master Mason.' That means that the President of the United States had to take orders from Albert Pike should he order him to do so!

The significance of that startling proposition will become more evident as additional evidence of just what Mr. Pike believed in is presented in further chapters of this study. There is a hierarchy in the United States! And Presidents who are Masons take orders from other Masons!" **Ralph Epperson, "The New World Order" (172)**

The highest known formal degree of Masonry is the 33rd degree, in which this title has been held by many world leaders and important names in modern history. The following US presidents are/were known to be Masons, many of them 33rd degree: Washington, Jefferson, Madison, Monroe, Jackson, Polk, Buchanan, Johnson, Garfield, McKinley, Roosevelt, Taft, Harding, Roosevelt, Truman, Ford, Carter, Reagan, Clinton, and both Bush's.

All the following people are/were also Masons, most of them 33rd degree:

- Buzz Aldrin
- John Glenn
- Yasser Arafat
 - Tony Blair
- John Wilkes Booth
- James Cameron
- Winston Churchill
 - Walt Disney
 - Bob Dole
- Frederick Engel
- Newt Gingrich
- Mikhail Gorbachev
 - Al Gore
 - Billy Graham
- Richard Holbrooke
 - J. Edgar Hoover
- Colonel Mandell House

And there are thousands more of them, scores of celebrities were/are Freemasons as well such as Duke Ellington, Count Basie, Nat 'King' Cole, Rudyard Kipling, Harry Houdini, Alexander Pope, Goethe, Sir Arthur Conan Doyle, Sir Walter Scott, Jonathan Swift, Voltaire, Mark Twain, Oscar Wilde, W.C. Fields, Clark Gable, Arthur C. Clarke, Frank Holliday, Humphrey Bogart, Peter Sellers, Red Skelton, Bob Hope, Abbott of Abbott and Costello, John Wayne, Richard Pryor, Roy Rogers, Will Rogers, Don Rickles, the Ringling Brothers (all 7 brothers and their father were masons). Paul Giamatti, Michael Richards, Sean Connery, George Clooney, Will Smith, JayZ and literally hundreds more household names in the music/movie industries have all been Freemasons. Since their member lists are not advertised or readily available for all to see, deciphering the extent of celebrity membership is often a game of watching careers, reading symbols and hand signals. Cecil B. DeMille, director of the very first Hollywood film and creative genius behind Paramount Pictures, was a Freemason. Jack Warner of Warner Bros. Studios and Darryl Zanuck, cofounder of 20th Century Productions, and Louis B. Mayer, of MGM movie studios are/were all Masons. Rowland Macy of Macys was a Mason. Dave Thomas of Wendy's and Colonel Sanders of KFC, King Gillette of Gillette Razor Co. and J.C. Penney are/were Masons. Sir Thomas Lipton of Lipton Iced Tea, Frederick Maytag of Maytag Co., Walter Chrysler of Chrysler Corp., and William Dow of Dow Chemical Co. – all Freemasons. Samuel Ervin Jr. who headed the Watergate committee, Dan Beard, the founder of the Boy Scouts, Jean Henri Dunant, founder of the Red Cross, and Frederic Bartholdi, designer of the Statue of Liberty were Masons. So now you should fully be aware that Freemasonry is not the charitable and brotherly Christian organization that it pretends to be for the non ranking public. So lets continue and discuss some of its rituals, click the picture below!
